Lis:

Here is a little draft for you. It looks like what they want is to create a new appropriation, s. 20.433 (1) (jb), that would be parallel to ss. 20.435 (1) (jd), (5) (jb), (6) (jb), and (7) (jb) and 20.437 (1) (jb), (2) (jb), and (3) (jb) only it would be for child abuse and neglect prevention services. Katie only mentions publication sales in her drafting request, but those other appropriations also refer to state mailings, special computer services, training programs, and printed materials in addition to publications, so you can either call her and ask whether she wants those other things included or just go ahead and include them and point it out in a drafter's note.

- \* In your request, you asked for the appropriation to be specifically related to publication sales. I noticed that many of the other appropriations to the Department of Health Services or the Department of Children and Families from moneys received from fees for administrative services include not only publication sales but also state mailings, special computer services, training programs, and printed materials. See sections 20.435 (1) (jd), (5) (jb), (6) (jb), and (7) (jb) and 20.437 (1) (jb), (2) (jb), and (3) (jb). I assumed these other services should also be included in this appropriation.
